OUR RIGHTS

We may elect to monitor areas of the Website by electronic or other means and may disclose any content, records, or electronic communication of any kind if such disclosure is necessary or appropriate in our discretion (i) to satisfy any law, regulation, or government request; (ii) to operate the Website; or (iii) when we have reason to believe that someone is causing injury to or interference with our rights or property, other users of the website or anyone else that could be harmed by such activities. We are not responsible for screening, policing, editing, or monitoring such content. If notified of allegedly infringing, defamatory, damaging, illegal, or offensive content, we may investigate the allegation and determine in our sole discretion whether to remove or to request the removal of such content from the Website.

We may terminate your access, or suspend your access to all or part of the Website, without prior notice, for any conduct that we, in our sole discretion, believe is in violation of any applicable law or is harmful to our interests or the interests of another user, or other third parties.

Because customer service is paramount to our business, we reserve the right to refuse to sell products to you if it reasonably appears to us that you intend to resell the products. In addition, we reserve the right to limit quantities of items purchased by each customer. In addition, we reserve the right to cancel any order or part of an order, or refuse service to anyone for any reason. Such reasons may include, but are not limited to, unauthorized coupon use, product availability, and price discrepancy or pricing error. We reserve the right to charge fees or extra shipping charges for any product that is backordered. We also reserve the right to change the terms of any offer or promotion at any time without notice. The posting of prices on our Website is not an offer for sale of goods, and the order confirmation is not an acceptance of an offer to purchase goods. We cannot confirm the price of an item until you order; however, we do NOT charge your credit card until after your order has entered the shipping process. Despite our best efforts, a small number of the items in our catalog may be mispriced. If an item's correct price is higher than our stated price, we will, at our discretion, either contact you for instructions before shipping or cancel your order and notify you of such cancellation. The contract for sale

of goods between us and any customer is not entered into until we charge a valid credit card or otherwise accept payment.

We also reserve the right to disclose any information necessary to satisfy any applicable law, regulation, legal process or governmental request.

We are not responsible for webcasting or any other form of transmission received from any linked site. We provide the links to you only as a convenience. Consequently, please direct any concerns or complaints you may have regarding these external links to their site administrator.

APPLICABLE LAW

These Terms of Use shall be governed and interpreted pursuant to the laws in the State of Florida, United States of America, notwithstanding any principles of conflicts of law. All disputes arising out of or relating to these Terms of Use shall be finally resolved by arbitration conducted in the English language in Coral Springs, Florida, U.S.A., by a sole, jointly appointed arbitrator, under the commercial arbitration rules of the American Arbitration Association. The parties shall bear equally the cost of the arbitration (except that the prevailing party shall be entitled to an award of reasonable attorneys' fees incurred in connection with the arbitration in such an amount as may be determined by the arbitrator). All decisions of the arbitrator shall be final and binding on both parties and enforceable in any court of competent jurisdiction. Notwithstanding the foregoing, Comfort Medical shall be entitled to seek injunctive relief, security, or other equitable remedies from the United States District Court for the District of Florida or any other court of competent jurisdiction.

TERMINATION

These terms are effective until terminated by either party. If you no longer agree to be bound by the Terms of Use, you must cease your use of the Website. Subject to applicable law, we reserve the right to suspend or deny, in our sole discretion, your access to all or any portion of the Website without prior notice. You agree that any termination of your access to the Website may be effected without prior notice, and acknowledge and agree that we may immediately deactivate or delete your account and all related information and files in your account and bar any further access to such files or the Website. Further, you agree that we shall not be liable to you or any third-party for any termination of your access to the Website.

GENERAL INFORMATION

These Terms of Use constitute the entire agreement between us (you and us) and govern the use of the Website. You also may be subject to additional terms and conditions that may apply when you use affiliate services, third-party content or third-party software. Our failure to exercise or enforce any right or provision of this Agreement or respond to a breach by you or other parties shall not in any way waive our right to enforce subsequently any terms or conditions of this Agreement or to act with respect to similar breaches. If any provision of the Terms of Use is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties' intentions as reflected in the provision, and the other provisions of the Terms of Use remain in full force and effect. You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the Website or the Terms of Use must be filed within one year after such claim or cause of action arose or be forever barred.

The section titles in the Terms of Use are for convenience only and have no legal or contractual effect.

We use SSL technology to prevent your information from being stolen or intercepted while being transferred to us and once we have received it. Your credit card information is always stored in encrypted form in a restricted-access database that is away from our Web site database so it is not connected to the Internet, to keep it safe from hackers.
